# About us

At MomentS, flowers and family come together to create the beauty in all of life's moments. We're a mother-daughter duo with a shared passion for beauty, creativity, and connection.

Stacey brings years of experience and a natural eye for design, while Lexie adds fresh ideas and a modern approach to our arrangements. Together, we blend timeless elegance with contemporary trends, crafting floral designs that celebrate life's most meaningful moments.

Whether you're looking for the perfect bouquet, planning a wedding, or simply brightening someone's day, we're here to help you say it with flowers. At MomentS, every petal is handled with love, care, and a commitment to bringing your vision to life.
